SENATOR WHITNEY: I'm speaking as chairman of Committee on Committee's and the committee has been a unable to either reject or approve Mr. Egelmeyer and I talked to the Attorney General and unless someone brings this issue to the floor he will be automatically approved unless this session does something about it. Now if this session does nothing about it, I mean during this legislative session, then he will automatically be approved for the 6 year term starting January 9, 1973.
